

Transparency in Coverage Rule – Machine Readable Files

The Transparency in Coverage final rule released by the Department of Health and Human Services (HHS), the Department of Labor, and the Department of the Treasury (the Departments) delivers an executive order on Improving Price and Quality Transparency in American Healthcare to Put Patients First. This final rule is a historic step toward putting health care price information in the hands of consumers and other stakeholders, advancing the Administration's goal to ensure consumers are empowered with the critical information they need to make informed health care decisions. The links below are available for your reference in the required government format, a particular software program could be required when opening. In the event you would like additional details, the final rule can be found by clicking here:
